

Partner in Learning Application

Durbin Creek Elementary PTO 2022-2023

“Partners in Learning” is designed to build your business while offering a fundraising opportunity for Durbin Creek. This is a way to help support each other in the spirit of community. We have close to 1,000 students and by becoming a Partner in Learning (PIL) you will have access to those families throughout the school year in different ways.

Please consider Durbin Creek Elementary School as a Partner in Learning in some capacity this next school year. Let's figure out what we can do together to help our DCE community during this unprecedented time. We hope there is a partnership that suits your current financial situation. We appreciate your time and consideration and look forward to working with you in the future. Please contact us with any questions.
