

# Partner in Learning Application

## Durbin Creek Elementary PTO 2021-2022

“Partners in Learning” is designed to build your business while offering a fundraising opportunity for Durbin Creek. This is a way to help support each other in the spirit of community. We have 900 students and by becoming a Partner in Learning (PIL) you will have access to those families throughout the school year in different ways.

Please consider Durbin Creek Elementary School as a business partner in some capacity this next school year. Let's figure out what we can do together to help our DCE community during this unprecedented time. We hope there is a partnership that suits your current financial situation. We appreciate your time and consideration and look forward to working with you in the future. Please contact us with any questions.
